

***What Clients are Saying . . . . .***

*“The Profit Manager software has proven itself to be an excellent tool to meet our diverse needs. Your customer-oriented service has consistently supported us through critical periods of our business.”*

**Cito Mamaril  
VicePresident, CFO  
Acculube, Inc Co.  
Dayton, Ohio**

*“I wanted to let you know what a wonderful software support team you have! Their knowledge of the system and how it works is impressive. They are always a pleasure to talk to and are very positive on any problem presented.”*

**Lou Fyock  
Shipping&Warehouse Mgr  
Cincinnati Metals Co. Inc.  
Cincinnati, Ohio**

*“All is going well with our PBSI system. We have fully implemented the Work Order System and it has become an important management tool for us. We have also found Crystal Reports to be a powerful reporting tool.”*

**Tom Copanas  
Overly Hautz Co.  
Lebanon, Ohio**

*“I want to let you know of the excellent customer service provided by one of your software support people. I was especially impressed by the professionalism, willingness, and ability to tackle a mostly hardware issue They started with an angry customer and worked diligently until it ended with a happy customer.”*

**Todd Hammersmith  
Accounting  
Baleco International  
Cincinnati, Ohio**

*“Profit Manager’s Tag Lot Control has definitely improved our inventory control and visibility of inventory items on the shop floor. We are very pleased with this process.”*

**Mike Mulligan  
Sales Manager  
Gray America Corporation  
Dayton, Ohio**

*“It seems we have come through the eye of the needle with regard to getting our business back on track and you should know that it is in large part due to our PBSI Project Manager’s help. Each of us thank you, your company, and the amazing team at PBSI.”*

**Marty Berry  
General Manager  
Industrial Paint & Supply Inc.  
Cincinnati, Ohio**
