

Electronic Remittance

Automatic Posting

Faster payments!

How much time does your office spend posting EOBs?
More than you would like?

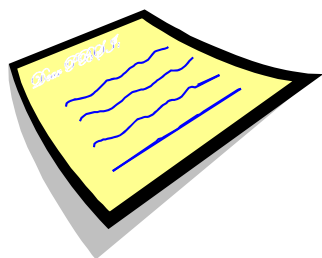

Benefits of Electronic Remittance:

- Receive insurance EOB payments electronically.
- Eliminate manual posting of EOBs—Automatic posting of payments and disallowed amounts into your PBSI—DOC software. No figuring out what needs to be posted for payment and write-off amounts.
- Fewer math and keying errors.
- No paper EOBs to store—Online storage of each processed file with detailed EOB for future viewing and printing if needed.

Key Features of Electronic Remittance:

- Custom editing features ensure payment amounts, errors, and denials are handled to your specifications.
- Auto-load of Medicare physician fee schedule of allowed amounts.
- Auto-placement of secondary insurance forms into secondary insurance file with generated copies of the EOB.
- Follow up reports to assist in managing claim corrections, appeals, and rebilling functions.
- Electronic deposit of payment checks into your practice bank account (*optional feature*).

Available for: ■ Medicare (OH,KY,IN) ■ United Health Care ■ Humana
■ Anthem ■ Aetna ■ Others available soon.

What client's are saying about Electronic Remittance:

“What used to take 2–3 hours to manually post Medicare payments now takes about 10 minutes using Electronic Remittance. I would never want to go back to posting Medicare checks by hand. Electronic Remittance is simple to use and does not take long to learn at all.”
Pulmonary Medicine of Dayton

“I love Electronic Remittance. It's user-friendly, fast, and makes processing easier.”
